

## 2024 Shelby Marching Tigers

Intent to March Form

*It's All About ME!*

It is time to prepare for our next marching season! We need to know our numbers well in advance in order to purchase and commission our marching drill for our bandcamp. The yearly 2024 fee for Summer and Fall is \$80. Payments can be made all the way until bandcamp but in order to reserve a spot on the field we need the \$20 down deposit any date **bandcamp on July 29**. Reach out with any financial concerns and we'll find a solution.

These funds go to purchase:

- Color Guard Instructor, Drill Writer, Drumline Instructor
- T-Shirts
- Instrument Equipment

Please view the following dates and list all that apply for the items you need so we can order in advance. **Bandcamp is MANDATORY.** We will be learning a month's worth of material in that week. If you do not attend bandcamp, we cannot have you in our marching season when school starts.
